The Civil Engineer **Mr. Colm O'Suilleabhain** a citizen of the Republic of Ireland, born on May 6,71, has been associated with our Railway Authority from November 1,93 to December 31,96 in his capacity as Civil Engineer in connection with our permanent way and bridge renewal program.

We hereby gladly confirm that Mr. O'Suilleabhain has handled to our entire satisfaction these tasks with exemplary energy and responsibility, and in excellent cooperation with our local staff as well as local contractors and their representatives.

Mr. O'Suilleabhain has demonstrated his capability to elaborate realistic construction methods and schedules, to discuss same with his counterparts and to supervise the implementation in close and exemplary cooperation with all concerned, thus he enjoyed our fullest confidence. Needless to say that the behaviour of Mr. O'Suilleabhain has always be outstanding.

Meanwhile, many of our projects have been completed to our entire satisfaction, last but not least to the performance of Mr. O'Suilleabhain. Thus we have no hesitation whatsoever to recommend him for any similar assignment.

We regret, however, to lose such valuable assistance in the person of Mr. O'Suilleabhain but wish him all luck and success for his future career.

Munich, April 22, 97
